

Parent Bulletin Week Commencing 25th March 2019

Facilities and Lettings Manager

We are currently advertising for a Facilities and Lettings Manager. Whilst we would prefer this to be a full time role we would be very happy to talk to anyone who would like to be considered but can only work part time hours, term time only but with some holiday working. You would need to be a strong administrator and willing to learn about site compliance and legislation. It's an interesting role, working with our small but hard working site team. You can find the advert and full information about the post in the vacancies section on the school website.
