

Parent Bulletin Week Commencing 1st June (Week B)

Notices:

- **All Years:** There seems to be a problem with Google locating our website please use www.farmors.gloucs.sch.uk to access Farmor's School website.
- **Year 7:** are covering 'How the body changes', 'The body' and 'Puberty' as part of the PSE programme during term 6. They will be provided with resources on show my homework. These resources would normally be shared at school and would provide opportunities for your child to discuss the topic and ask questions in an environment where they would not be judged. Unfortunately, this will not be the case this time. Understandably, your child will be curious about the content of this topic so you may want to have a conversation about how you are able to support at home. Tutors will be available through show my homework if it is not possible for your child to discuss the work at home. Please don't hesitate to contact me if you have any questions about the work (hsalvidge@farmors.gloucs.sch.uk).

Safeguarding update:

Mental Health

You may have noticed that this week has been 'Mental Health Awareness Week'. This is a yearly focus, and we would usually address this in school through assemblies and dedicated tutor time. However, it has taken on a new resonance this year, with all of us experiencing varying levels of worry, concern or anxiety.

In the last bulletin, we shared this website <https://www.camhs-resources.co.uk>

There is a wealth of resources on there, but one that seems particularly helpful and relevant for parents is this: <https://www.annafreud.org/coronavirus/>

They have a whole list of ideas for the children and young people to actively help themselves - doing more of what makes you feel good!

As always, if there is anything that causes you concern about online safety, please check out this website for advice: <https://tinyurl.com/yccvkk9o> and if you have any safeguarding concerns - contact nsturla@farmors.gloucs.sch.uk

No new letters this week.

Kind regards,

Pastoral team.
