

Parent Bulletin Week Commencing 8th June (Week B)

Notices:

- **All Years:** Please continue to check that your child has completed their weekly tutor check-in survey by Wednesday; this has proved to be a good way for students to report any issues to their tutors.
- **Year 10: Live Tutorials:**
Following the success of our Year 12 live tutorials, we will be rolling this offer out to Y10 students over the coming weeks. We believe that some synchronous (live) tutorials will complement the experience of our Year 10 students whilst studying at home. The benefits may include:
 - Reassurance through face-to-face communication.
 - Opportunities for students to ask questions and seek clarification.
 - Opportunities for teachers to explain particularly difficult concepts.
 - More efficient feedback to students.

Year 10 live tutorials will run on Friday and will begin with English, Maths and Science. Attendance is not compulsory. Students will soon receive a link seeking their permission to participate. Teachers will invite Y10 students to take part in tutorial sessions through the Show My Homework platform.
