

## Parent Bulletin Week Commencing 9<sup>th</sup> March- **Week B**

### **Sixth Form Admission**

The majority of sixth form interviews have now been completed and I will be sending out offer letters (stating the subjects they have been offered) in the next few weeks. These will be addressed to the students and posted to their home address. The offers are conditional at this stage, pending GCSE results. If your son or daughter has applied to study a subject but does not have the predicted grade then their offer will not include this subject; we will have discussed an alternative subject which will be included in the offer. If they achieve the required result for the subject they originally wanted then we can give a revised offer on results day. This has been detailed in their Discussion Record at interview and can be accessed by all the enrolling staff on the day.

There will be more information to come in the summer about how to enrol. If you have any further questions at this point, please do not hesitate to contact me. [scrawford@farmors.gloucs.sch.uk](mailto:scrawford@farmors.gloucs.sch.uk)

**Sarah Crawford**  
**Deputy Head of Sixth Form**  
**Farmor's School**

### Notices:

- **Year 9/10-** The Bronze and Silver training day will take place at Farmor's on Sunday 8th March. A letter will be given to your child this week detailing the day. It is a compulsory training day and all doing the award must attend from 8.30.
- **Year 8:** I am delighted to announce a Year 8 trip that will take place from Monday 13th - Wednesday 15th of July 2020. It is at Bell Heath and over the three days students will be involved in a variety of outdoor activities. I have attached the itinerary and information from the centre. There are only 75 places and it will be a first come first served basis. If you would like your son/daughter to go please can you pay a deposit of £50 by 20th May followed by payments of £50 on 30th April and £51 on 31st May. Mrs Dawson.
- **Year 8:** Due to the unique nature of The Big Bang Fair (an indoor, hands-on interactive event for tens of thousands of young people and their teachers from across the UK) the event organisers have decided to cancel next week's Big Bang Fair events due to the risk of spreading the Covid-19 virus. We are currently investigating the financial implications of this, but hope to be able to offer a full refund in the next few weeks.

### Letters to parents this week <http://www.farmors.gloucs.sch.uk/Letters-to-parents>

- **All Years:** Internet safety Newsletter
