

5th October 2009

Dear Parents,

Non Uniform Day – Friday 9th October

On Friday we will holding a non-uniform day in support of the Bethany Fenton Appeal. For those parents who don't know Bethany, who is five years old and attends Fairford Primary School, has been diagnosed with an inoperable brain tumour. The Charity Committee have also organised a number of events which will take place during the lunch hour this week to support our fundraising for the appeal.

I hope parents will feel able to encourage their children to give their support to Bethany and her family.

With best wishes,

Yours sincerely,

Anne Stokes
Headteacher
