

Farmor's School Staff List 2017

This procedure should be followed when contacting the school.

- * Phone calls are often easier, a message is always passed on to the relevant teacher.
- * For pastoral issues **always** contact your child's form tutor in the first instance.
- * For specific subject issues **always** contact your child's subject teacher.
- * These members of staff may then pass this on to the relevant Head of Year or Head of Department.
- * Staff will try to reply as soon as possible but please remember they do teach and may need to investigate an issue or collect extra information therefore some delay is inevitable.
- * For urgent issues a phone call is recommended.
