Dear Parents & Guardians,

The Year 9 Activity Day will be held on Wednesday 17th July, we are hoping it will be jam-packed with fun, creativity, team challenges and learning new skills. This year the activity day will take place here at Farmor's and will start at 9am and finish at 3.20pm. Students will have the opportunity take part in a team challenge for half of the day, this will be run by Wise Up. For more information about the provider, [please see the link here](#).

The other half of the day will be a mix of First Aid, Creativity, Sport, and group activities. As the team challenge activity is not an essential part of the curriculum, we are requesting a voluntary contribution of £10.20 per person to cover the cost of the provider. Should insufficient contributions be made then the activity will not be able to proceed. The payment is now live on [Parent Pay](#).

Farmor's School believes that all students should have equal opportunity to benefit from school activities independent of their parents' financial means. If you are unable to make the financial contribution for this trip, please see this section of our website for information about how to apply for help with the costs, or contact the finance team: finance@farmors.gloucs.sch.uk

Best wishes

Christine Bass

Head of Year 9
