June 2020

Dear Parents/Carers,

As you are aware, a blazer is a mandatory part of the uniform for Farmor's year 10 and 11 students. Unfortunately due to Coronavirus social distancing regulations this year we have had to cancel our usual blazer sizing event for all students starting Year 10 in September. We have worked closely with PMG to find options that we feel will work best in this current climate.

Purchase process:

- **In Store** - Our uniform supplier PMG will be re-opening their store from Monday 29th June 2020. They have advised us that access to the store is by appointment only and that this must be done via their website <https://pmgschoolwear.co.uk/>. Please see the attached leaflet from PMG.
- **Online** - If you do not wish to visit the store once it reopens then please order from their website. By selecting Farmor's School from the drop down you will be taken directly to an alphabetical list of school uniform.

Returns process:

- If the blazer that you purchase online is the wrong size you may return it in 'resale condition' with the tags still on to the store. Please contact PMG before doing so as access to the store is by appointment only
- If returning to the store is not convenient for you, there will be a small returns event at school for one hour only on the morning of Wednesday 2nd September which is currently the Y10 induction day. Please email admin@farmors.gloucs.sch.uk if you wish to attend as we will need to ensure that any guidelines for social distancing at this time are met to ensure the safety of students and staff
- If the blazer that you purchase online is the wrong size the student may bring it to the returns and sizing event in 'resale condition' with the tags still on. PMG have advised that if you contact them in advance they would be able to accept the return and ensure that the new blazer has been delivered to the school. As there is the possibility of a price difference with a different size they will also raise a refund if necessary
- **Questions for PMG** - If you have any questions please email them at customerservices@pmgretail.co.uk

Whilst we would like a strong start to Y10 in September we understand that it will not be possible for all students to have blazers at this time. Therefore we would like to reassure you that students will not be penalised for not having their blazer in the first few days back at school. If you have any questions please do not hesitate to contact us at admin@farmors.gloucs.sch.uk

Thank you in advance for your understanding in this matter.

Yours sincerely

Jessica Stevens
