

Farmor's School: Provider Access Policy

Introduction

This Policy statement sets out the school's arrangements for managing the access of providers to pupils at school for the purpose of giving them information about the provider's education or training offer. This complies with the schools legal obligations under Section 42B of the Education Act 1997.

Pupil Entitlement

All pupils in years 8 – 13 are entitled:

- To find out about technical education qualification and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships.
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact Liz Lloyd – Careers Co-ordinator on 01285712302 or email on llloyd@farmors.gloucs.sch.uk

Opportunities for access

A number of events, integrated into the school's career programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers.
