

Parent Bulletin

18th May 2026 Week B

Year 8 to 11 - Here is a short video to show you the kinds of activities that will be happening on our exciting Camps Internation trip to Kenya in the summer of 2028! [here](#). If you are at all interested, please come to the parent's information evening in school at 6pm on the 20th of May. Scan the QR code on the poster in this bulletin to register your interest [here](#).

Years 8 to 11 - Shift Movement CIC are running HAF summer holiday camps for children aged 4–12 and are looking for teen helpers to support our team.

The role offers:

- Paid work during the summer holidays
- Experience working with children
- Skills in teamwork, confidence, leadership, and wellbeing
- Exposure to yoga and mindfulness-based activities

Please visit the link for further details - [here](#).

Year 10 - Work Experience Week 1-5 June: The completed student placement forms are now going through their final checks with the insurance company. If you do not hear from me then you can assume that your child's placement has been successfully vetted and I will have contacted the employer confirming as much. If students are in any doubt as to timings or what to wear, please contact the employer in advance so they can be sure to make a good impression on their first day.

If your child is sick during that week, please ensure you report the absence to school in the usual manner but also let the employer know as well. Thanks, Mrs Mitchell (Careers Advisor)

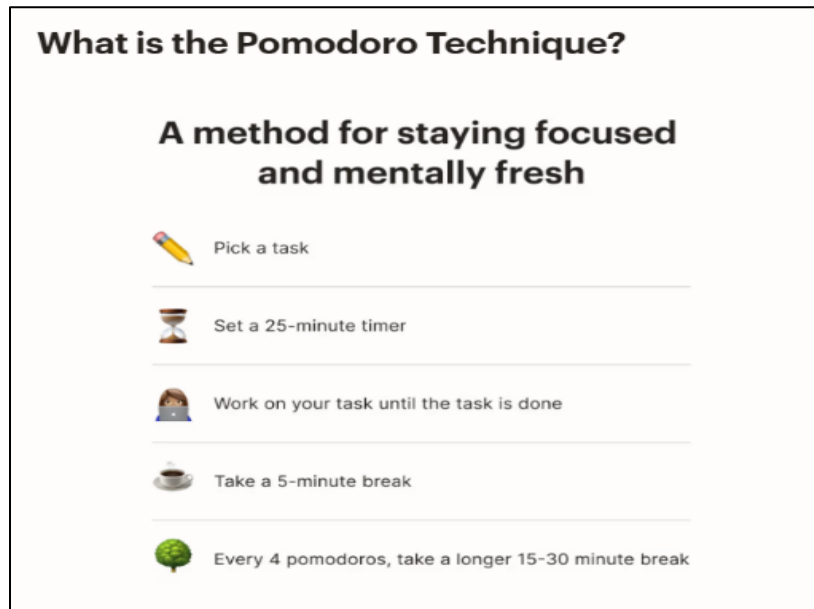

Year 8 & 9 – 3-day residential summer course opportunity at Loughborough University for any year 8 or 9 girls who may be interested in a career in engineering and the cost is heavily subsidised by GE HealthCare: Please visit the link for further details - [here](#).

Year 7 - Geography trip in June - **UPDATE** - Last week we told you that the geography department is planning a day's field trip for all year 7 students in June. Please read the attached letter to find out the activities planned and which date your child's tutor group are going on this trip. Please see the link for further details - [here](#).

Supporting your child to learn at home:

Tip of the Week: Encourage your child to write by hand

The Pomodoro Technique is a great way to help your child stay focused during a study session at home. Essentially, they break up their study sessions into 25-minute blocks. My son, who has just graduated from university, discovered this when he was revising for his GCSE exams. He still uses it now! There is lots of information on-line, but the basics are shown below. Claire Wells

Safeguarding:

An offer from our partners in Early Help:

Is this you? A teenager who is rude and refuses to follow family rules. One who screams and cries at the drop of a hat. A teenager who is arguing with everyone in the family. Or one who is drinking, skipping school, or hanging out with a bad crowd.

If any of these descriptions fit your teenager, Teen Triple P Discussion Groups can help.

Teen Discussion Groups Over 10 years;

- Getting Teenagers to Co-operate – Wednesday 3rd June 10-12pm
- Reducing Family Conflict – Wednesday 17th June 1.30pm-3.30pm
- Building Teenagers Survival Skills – Wednesday 1st July 1.30-3.30pm

If you would like to sign up for any of these dates, please email: studentservices@farmors.gloucs.sch.uk and we will request a place for you
