

Parent Bulletin

7th September 2026 Week A

All years: Mobile phones: Many thanks to parents and carers for supporting the ban on mobile phones in school. It has been a smooth start on site, despite the issues caused by the bus passes for some parents. The compromise we have reached with GCC (and Pulhams) is for students to print their bus QR code and keep it in a clear keyring fob.

If this is something you would like school to arrange for you, then please email finance@farmors.gloucs.sch.uk with your child's name and their QR code. There will not be an initial charge for this, however there will be a £1 cost for any replacement key rings required.

For parents and carers who have children in years 8-11 and wish to allow them to bring in a smartphone (turned off and in a bag or locker), please fill in this [form](#) for our records, if you have not already done so.

A reminder that students in year 7 are not allowed a smartphone on site.
