October 2022

Dear Parent/Carer

As part of your son/daughter's A-Level Geography course the department has arranged a field visit to Fairford to study 'Changing Places'. The aim of this visit is to practise human geography fieldwork techniques, get to know their 'Local Place' case study and prepare for the final examination.

The visit will take place on Friday 11<sup>th</sup> November. We will leave at 9am and be back in school for the normal end of the day. Sensible and appropriate behaviour is essential and expected. All students should bring a jacket or waterproof and wear suitable footwear as we will be outside and on our feet for most of the day. Students should also remember inhalers and any personal medication they require. There will be an opportunity for students to buy their lunch in Fairford.

If you require any further information regarding this visit, please do not hesitate to contact me.

Yours sincerely

Alex Heslop  
Geography Department
