Farmor's School Art & Design Department 2026/27

Date: 04.09.26

Dear Parent/Guardian

In years 7, 8 and 9 your child will complete a variety of Art and Textile projects. These will include having the use of a range of different materials, which will allow students to develop their ideas and skills effectively in order to make progress and produce effective outcomes.

To cover the costs of equipment and materials used in each year group we are asking for a voluntary contribution of £6 per student. Without such contributions, the range and scope of project work would be greatly reduced. All projects will be covered by this voluntary contribution and some variations in material costs will be absorbed in the system. We thank you for your support with this

Yours sincerely

Mrs Parker-Woolway
Head of Art Department

The voluntary contribution of £6 is set up and available through parent pay.
