

Dear parents,

I am writing to inform you on the changes we are making to the Bronze Duke of Edinburgh Award Expedition to ensure we are following current government guidelines and safety with regard to COVID-19.

There will be **no practice expedition** and instead there will just be **one qualifying** expedition which will take place on **Tuesday 20th- Wednesday 21st October 2020**.

There are several strategies that will be put in place to ensure the expedition can meet all the requirements whilst maintaining a safe environment:

- The expedition will consist of 2 walking days. As it is local, pupils will not be required to stay overnight. **They should be picked up in the evening and returned the next morning.** They will, therefore, always be outside during their expedition. *Please see attached document on more specific details including timings and location of the expedition.*
- Pupils will remain in year group 'bubbles' and be asked to social distance the best they can with members of the public & staff.
- Pupils will still be required to arrive at the campsite at the end of the first day to put up their tent (*even though they won't be sleeping in them*) and cook their dinner using camping equipment as this is a requirement of the expedition.
- When cooking, pupils will be advised to purchase 'boil in the bag' meals, this means they can eat straight out of the pouch with their own utensil. *Additional Trangia stoves will be provided if necessary, to reduce any sharing of cooking implements.*
- At the campsite students will be directed to hand washings stations and sanitiser.

As we are reducing the expedition to one expedition, this does mean a reduction in the price for the Bronze Award. **The total cost of the award will now be £100.**

You should have paid £100 to date, which is now the full amount so there is **no further payment necessary** for the award. If you have previously paid more than £100, you will receive the appropriate refund by the end of the month via parentpay. If you have **not yet paid £100 in total**, please do this via parent pay **by Monday 12th October 2020**.

Attached is a full kit list, the expedition will be going ahead whether it is rain or shine, so please do ensure your child is prepared. Each participant should bring their own small bottle of sanitiser.

Mobile phone policy

As your child will need to contact you to be picked up, we are allowing mobile phones on the expedition. However, during the walking day they must be switched off and sealed in a plastic bag and only used for emergencies. The participants will then be instructed when they can remove them from the sealed bag to contact home to be picked up. **Each group will be asked to show their mobile phone sealed at the start of the expedition and will run the risk of failing their expedition if their mobile is used for anything but emergencies during the day.**

If you have any further questions on the measures that are being put in place, please email me and I can give you more information.

Yours Sincerely,

Miss E Coote

Collection Wednesday 21st October

We will ask the pupils to contact you when they are ready for collection. Pending their pace and efficiency trekking, from 2 to 4pm at Barbury Castle Country Park, as above, location of drop off on 20th October.

If you do not bring all equipment, i.e. Waterproofs, drinking water, etc, then we may not allow you to complete your Expedition due to safety issues.

All pupils should bring all equipment as if they would be camping. The Duke of Edinburgh's Award has allowed Expeditions without camping, but the expectation remains that participants carry everything and cooking an evening meal. However, use common sense, for example, if there items you do not have for camping, then do not purchase them, ie a sleeping bag, just pack a few other clothes instead.
