

### **Dear Parents/Guardians**

I am writing to make you aware of revision resources which are available for the GCSE Business course.

### **Revision guide on Parent Pay**

I have put a revision guide produced by Clear Revise on Parent Pay. Whilst it is not a requirement of the course to have this guide, it would be beneficial for students as the book covers all the relevant topics for the two-year course and has useful practice case studies and exam style questions.

If you would like one of the guides, please make payment by 9<sup>th</sup> October.

### **Additional resources**

In addition to this revision guide, the following resources are very useful:

#### **Exam board website**

<https://qualifications.pearson.com/en/qualifications/edexcel-gcses/business-2017.html>

The specification and all the past papers and mark schemes can be found on this site.

#### **Quizlet**

<https://quizlet.com/user/peteimeson/folders/gcse-business?i=2wxcil&x=1xqt>

This link provides revision cards for all the topics on the specification – these will often be set for homework tasks.

#### **Youtube**

There are a number of teachers who post videos explaining course concepts on Youtube and these can be a useful form of study and revision.

Good examples are:

Bizconsesh: <https://www.youtube.com/@Bizconsesh>

Two Teachers: <https://www.youtube.com/@TwoTeachers>

Best regards

Peter Imeson

Head of Business Studies and Economics
