Farmor's School has a clear strategy for providing Careers advice for students across the school, from Y7 through to 6th Form. Our focus and aim is to ensure that every student has a wide selection of opportunities to view and identify their career path options as they progress through the school and have advice and support when making these decisions. We stress the importance of having all the information to hand to ensure students are able to make the best career choices available to them and this is obtained through a number of steps:

- Engagement with employers and potential employer opportunities
- Work Experience & Mock Interviews
- Careers Guidance Advice
- Online careers assessments
- Advice on CV writing and Interview skills
- Annual Career's Fair
- Weekly Careers Bulletins
- Updated Careers webpage
- Fortnightly Speakers Programme (6th form)
- Dedicated Careers Advisor

“The future depends on what you do today.” Mahatma Ghandi

A range of careers websites are available for students, parents and carers which enable research about different Post 16 courses and apprenticeships. They also provide opportunities to compare universities, find alternatives to university qualifications, to search for inspiration and/or to find specific employment sector information.

Career Pilot - To help with making decisions for KS4, Post 16 and Post 18, including information about apprenticeships, further education, university and more. www.careerpilot.org.uk

National Careers Service – take a skills assessment to find out what jobs are appropriate and search 800 job profiles for more information, including pathways to those jobs. <https://nationalcareers.service.gov.uk>

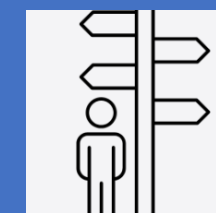

Prospects – experts in graduate careers guiding students with information, advice and opportunities. www.prospects.ac.uk

Apprenticeships – search for an apprenticeship, match with an employer. www.apprenticeships.gov.uk or www.amazingapprenticeships.com
