7th February 2022

Change to requirements for face masks

Dear parents and carers

I am writing to let you know that **from Tuesday 8th February students will no longer be required to wear face masks whilst at school.**

This decision has been made as the number of positive cases of Covid-19 has fallen significantly. I am confident that we can remove this requirement.

Please note that face masks are still required on school and public transport. Therefore, students should carry a mask if travelling by bus.

Once in school, students may continue to wear a face mask if they wish to do so. However, they will not be required to wear one in classes or when moving around the school.

Despite this easing of requirements, it remains important that we take steps to keep Covid-19 out of school as far as possible. Please continue to encourage your son/daughter to test each Sunday and Thursday evening and report positive results to us, keeping your child at home for the required period of isolation. Students should also not attend school if they are symptomatic until they have received a negative PCR test.

I would like to take this opportunity to thank students as they continue to be cooperative and patient despite all that we have asked of them.

Yours sincerely

Matthew Evans
Headteacher
