- Have fun completing your DofE Skills Sections
- Improve your logical thinking and creativity
- Expand your problem-solving ability

START ANYTIME!

## What participants say...

- "Not only is this a great way to do my DofE Skills section online, but it's also helping a lot with my GCSE's!" - Ayesha B.
- "This DofE Unity coding course is amazing! I've always wanted to build my own computer games, and now I'm learning to do just that!" - Tom Y.
