#### **Q. What if my child is entitled to Free School Meals?**

A. The set allowance for a free school meal will be made automatically to the pupil's account each day. The allowance is not rolled over so must be used in full each day. If you wish your child to have an allowance greater than the free school meal allocation additional cash can also be added by you, via your ParentPay account, to enable a greater daily spend. This is retained in a separate electronic purse and is only used when free meal entitlement has been used in full.

If you have not applied for Free School Meals and think your child may be entitled to support, information and an online application can be found at:
