

2nd of September 2026

Dear Parent(s)/Guardian(s),

As your son / daughter is now started their KS3 Science course(s), the department recommends that they have the CGP KS3 Science revision guide. The school gets excellent discounts on these.

The revision book supports homework and test preparation in Y7 and Y8.

The **CPG KS3 Science Higher Level Complete Study & Practice** book is available for a suggested contribution of £7.05.

The contribution needs to be made via **ParentPay** by Thursday the **1st of October**. After the deadline, the books will be ordered and delivered to the students.

This is the same revision guide that students in previous year 7 and year 8 have used.

If you have already a copy of this revision guide, you can use the ISBN number (978 1 84146 385 8) at the back of the book to check that you have the correct edition.

If you have any queries concerning this matter, for example financial issues where we may be able to help, please feel free to contact me by email.

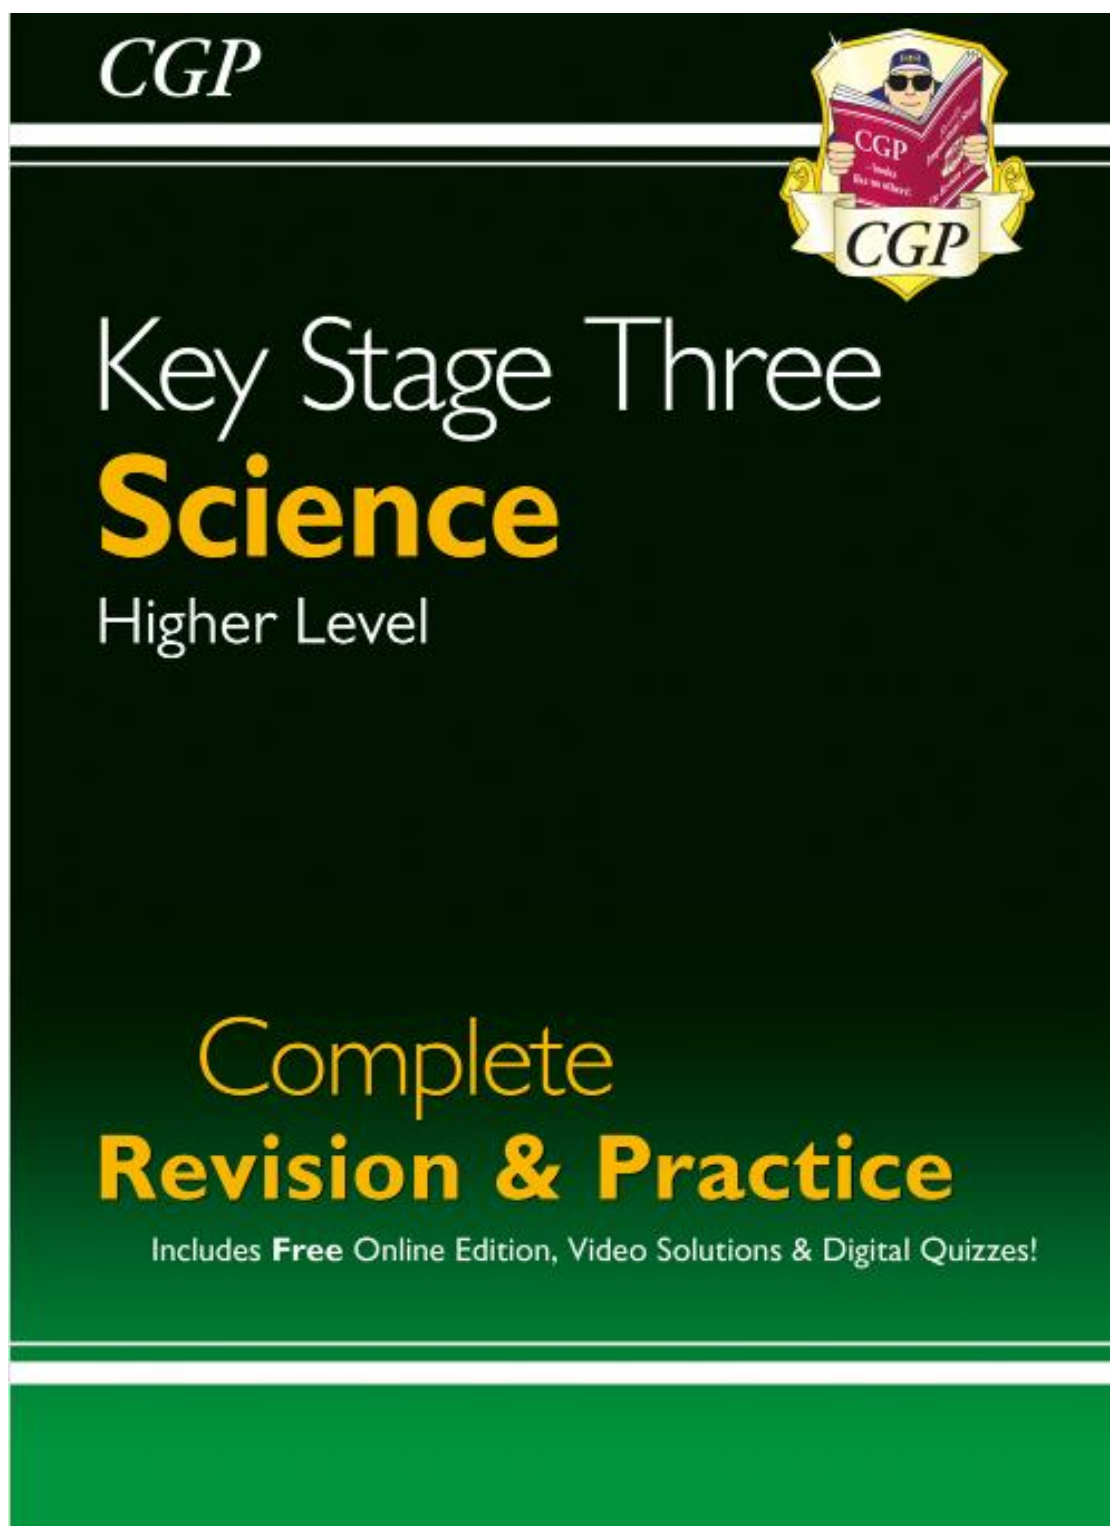

Yours sincerely,

Dr Morieri
