8th July 2020

Dear Year 6 Parents/Carers

Last Thursday, the government announced their ambition for all pupils to return to school full-time in September. Detailed guidance was issued to support schools in achieving this ambition.

It is our intention to open fully in September as long as the rate of infection for coronavirus continues to fall. There is a great deal of work to be done to prepare for this, therefore we will not be able to provide you with full details about the start of term until shortly before September.

Our intention is that Year 7 will come into school as planned on Wednesday 2nd September for their induction. Only Year 7 and Year 12 will be in school that day and an outline plan for the day will be sent by Mr Hockey before the end of term. Other year groups will return gradually throughout the remainder of the week. This will ensure that the Year 7 students have our full attention.

In September, our normal uniform requirements will apply to all students and we intend to operate all our normal bus services.

I very much look forward to welcoming your children to Farmor's School next term.

Yours sincerely

Matthew Evans
Headteacher
