Newsletter - 11.7.25- Farmor's School

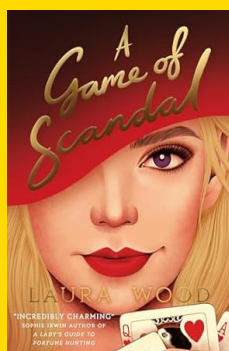

Well done to our newest student librarians who have been getting stuck in to helping this week. We've upgraded our genre stickers, so that they are colour coded and include the classifications. This will make our library even more use friendly. Making it easier and quicker to both locate books as well as re-shelving and organising them. We have a collection of over 3000 books throughout school - so we'll be carrying this project on when we return in September I'm sure.
