12.12.25

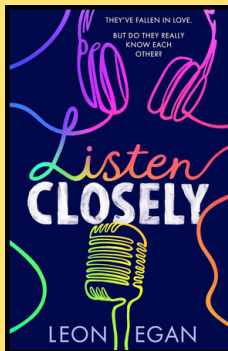

Next week is the last week of term so make sure you stock up on books to read over the break. I love the time between Christmas and New Year and spend as much of it reading as possible! We've had lots of new book arrive so do keep popping in and exploring the shelves. Our library lessons for years 7, 8 & 9 have been really successful and books are starting to be returned, so if you're waiting on one, reserve it on the library website and it will be put to the side for you.
