# THE LIBRARY

13.2.26

Happy half term one and all! It has been bonkers busy in the library this term. This week we hosted a Lunar New Year event in the library. We welcomed 40 students to enjoy the activities and learn more about the traditions surrounding lunar new year and the origin story of the zodiac calendar. This weeks newsletter is a bumper edition with photos from the event as well as the Tanya Landman author event with Stroud Book Festival.
