

# THE LIBRARY

13.3.26

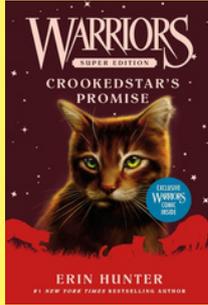

Happy Friday, everyone! I have shared some of the photos from the joyous day that was this year's World Book Day on the next page. Today we have even more bookish excitement in the library with the first day of the travelling book fair! On Friday and Monday, you can do some book shopping and build up your own home library. We have some exciting virtual author events coming up. Keep an eye on Satchel One; this is where you will need to sign up to attend. We've also had so many students sign up for our F1 book club that we are going to have to run the club twice!

## STUDENT VOICES

Review of Jujutsu Kaisen volume 1

This manga is peak, Gojo is the coolest, he has so much aura. I will most certainly read volume 2 next and watch the show! :)

- Y11 student

Overheard in the library:

“Books are the best thing to ever happen to me!”

“Book fair day is the best day of the year”

## GOT SOMETHING TO SAY?

I am looking for students to contribute to each weekly library newsletter and write reviews of all things bookish! That can be books, author events, library events, and lots more!
