

THE LIBRARY

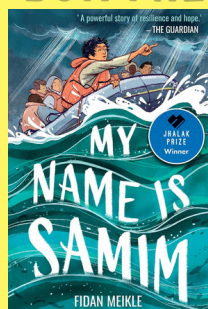

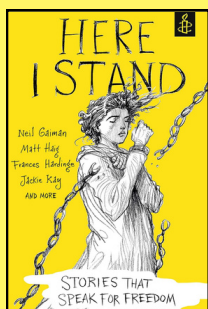

16.10.26

Happy Friday, everyone! I have been blown away by the Readathon results so far! We're tracking our reading until half term, so keep up the amazing work, everyone. Lots of exciting new books are being added to the library right now. But they have been so popular that they rarely make it onto the shelves before they are borrowed. Using the library website is the best way to see our whole collection, search for specific topics or books, and see our newest additions, as well as some personal recommendations based on your borrowing history.

BOX FRESH BOOKS

- Graphic Novel
- Guts series
- Short stories
- Social justice

- Refugee
- Resilience
- Friendship

- WWII
- Unbreakable friendship

- Fact book
- D&D

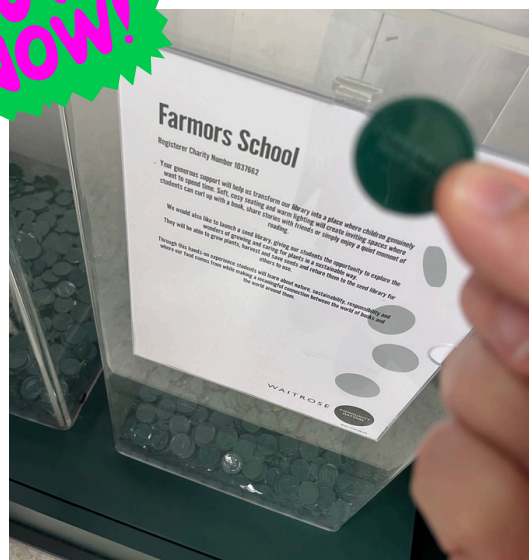

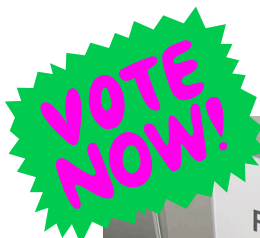

- Magical knights
- Stone monsters

Guinny	9CJB	8
Megan	9HEM	7
Leo	13HF	7
Ava	8JXN	14
George	8ERC	7

Our school library has been selected to take part in Waitrose's Community Matters Scheme! We are raising funds to establish a seed library, giving students the knowledge, skills and resources to explore sustainability, develop practical horticultural skills and foster a deeper understanding of where our food comes from. A seed library will broaden what our school library has to offer and help us to be more inclusive, catering to an even wider range of interests. The project that comes in third place will receive £500, 2nd £1000 and 1st £1500. Please pop into the store and vote for us!
