

THE LIBRARY

17.7.26

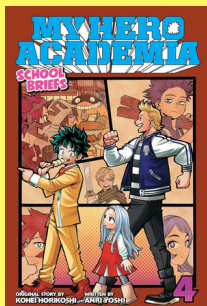

It is hard to believe that I'm writing the last library newsletter of the year! It has been a monumental year for the library, and winning the David Vaisey Award in October has helped us make our library collection even better. And it doesn't stop there; I am already excited to be making plans for next year. But in the meantime, if you have returned any overdue library books, you are welcome to stock up on summer reading!

BOX FRESH BOOKS

- Manga
- Family curse

- Novel
- More of your favourite anime characters!

I hope you all have a wonderful summer, with lots of time to enjoy yourselves and read! Make sure to visit your local library over the summer. Libraries save you an insane amount of money by borrowing instead of buying. Stay safe, I'm already looking forward to welcoming you back in September.
