

THE LIBRARY

25.9.26

The first boxes of brand new books arrived this week, so we've been busy working away, covering and adding them to our library system. There are too many to fit in our newsletter, which is a lovely problem to have! But if you check out the 'box fresh books' section on the main page of the library website, you can see our newest additions! Next week is our annual Readathon! Your tutors will give you all the information you need to take part, but if you need any support, pop into the library. Last year we tracked a record-breaking 33,075 minutes! Can we set a new record this year?
