

THE LIBRARY

3.7.26

This week we have been running library lessons as part of the Year 6 taster days. It's been wonderful to see so many students excited by the books we have here. The new manga section was especially popular! I am delighted to share that, to celebrate the publication of Heartstopper 5, which will be landing on our shelves soon, we are hosting a virtual author event with Alice Oseman! You must sign up to attend this event, and unfortunately, if it is oversubscribed, we may need to draw names from a hat. Please sign up before Wednesday next week.

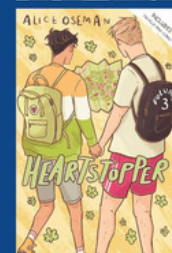

BOX FRESH BOOKS

- Fantasy
- Comic
- Science fiction
