## **THE SCHEME**

During the academic year a total of 30 lessons will be available. Lessons are 30 minutes long and lessons are offered either individually or in groups of two but there are some variations depending upon the choice of instrument and individual circumstances, which have to be agreed with the individual teacher.

The lessons are divided into **three modules of 10 lessons**. Within a 40 week academic year this means that the effect of unforeseen events such as school closure or teacher absence should not affect the availability of the 30 lessons offered.

All students should complete an application if they wish to apply for tuition for **each academic year**. Please read the terms and conditions carefully, **including cancellation terms**.

## **CHARGES**

The scheme is self-financing and parents are charged as detailed below. Charges are revised every September. The rates for this academic year are as follows:

Individual Tuition:	£18.00 per lesson	£180.00 for 10
Tuition in a group of 2:	£9.50 per lesson	£95.00 for 10

Please read the terms and conditions carefully before completing your application form.  
In cases of hardship please see 'Bursaries' below

## **METHODS OF PAYMENT**

## **BURSARIES**

As with all activities students can apply for support from the Trustees bursary. Funds are limited and support cannot be guaranteed. Please contact Mrs Hughes, Business Manager for more information. Alternatively there is also funding available from Make Music Gloucestershire if you meet the criteria from this website: <https://www.makemusicgloucestershire.org.uk/schools/mmg-grants-and-bursaries/>.

## **WHO CAN APPLY FOR LESSONS?**

All pupils may apply for lessons, and wherever possible their request will be met. However, it must be realised that neither teaching time nor teaching space is limitless, and where lessons are oversubscribed your name will be put on a waiting list in order of the application date. Other factors such as the size of your hands may affect your choice of instrument and teachers will advise you if you are likely to encounter difficulties in pursuing your choice. Teachers may consider teaching in groups of 3 in special circumstances.

## AVAILABILITY OF LESSONS

At the start of the autumn term some teachers offer a trial lesson to help assess suitability for particular instruments. Where these are available lists will be posted on which students can sign up. The first term of lessons is regarded as probationary. Pupils will then need to consistently demonstrate that they have both the attitude, and aptitude, for the instrument they have chosen.

## TIMING OF LESSONS

To cause the minimum conflict with curriculum time the lessons are generally organised as follows:

Years 7, 8 and 9	During school lesson time, on a rota
Years 10 and 11	Fixed times at break or lunchtime, wherever possible
Sixth Form	During study periods

## PROVISION OF INSTRUMENTS

It is the responsibility of the students/parents/guardians to provide an adequate instrument to learn on; if the request is for Piano lessons then ready access to a piano / suitable keyboard at home is essential. Instruments may be hired from the County Music Service at Colwell, but parents/guardians and students would be well advised to seriously consider purchasing their own instrument. There are now many schemes offered by music shops that are of a hire-and-buy nature and which do not attract interest charges. Details are available from the Music Department if you wish to consider this course of action.

## EXPECTATIONS

### Attendance

In preparing the rotas allowance will be made for known school events that appear on the school calendar. **It is obviously not possible** to foresee every school visit or informal test that takes place during the school year. Since pupils are informed about these in time to prepare themselves **it is assumed that they also have time to inform instrumental teachers** as well. Wherever possible an alternative time will be arranged but this may not always be feasible unless a gap has arisen elsewhere.

**Absence from a lesson on the part of the student will not normally be made up**, but absence on the part of the teacher will normally be made up or a refund will be made at the end of the year. Any longterm absence due to illness should be discussed with school immediately and your music teacher.

Attendance registers for instrumental lessons will be kept in the Music Department and students initial the register to confirm their attendance. If there are two consecutive, unexplained absences, or if the pattern of their son's/daughter's work is causing concern parents will be contacted so that the best possible course of action can be pursued.

### Preparation

It is expected that students will come to lessons prepared with instruments, music and having practised regularly. If students are not properly equipped or prepared they will be sent back to their curriculum lesson where their time can be more profitably spent. By looking at the Rotas posted in the Music Block students will be able to see in advance when their lessons are and they should keep staff informed if there is a clash with an important event such as a test in a curriculum subject so that alternative arrangements can be made. **It is also expected that they will support school musical activities such as choirs and orchestra in order to maximise their progress and experience.**

**All class work missed due to an instrumental lesson must be made up and homework collected**  
- a reliable friend can be very helpful for this. If you are told of a test, or of a particularly important lesson, check to see if your instrumental lesson clashes, if it does see a member of the Music staff or your instrumental teacher in advance.

### **Reports**

It is the intention that a pupil's instrumental report will be issued towards the end of the summer term. If in the interim attendance or progress are causing concern parents will be contacted.

### **Notice to terminate lessons**

Notice of not wanting to continue with tuition must be given in **writing to Mrs S Hughes the Business Manager or by email to [musictuition@farmors.gloucs.sch.uk](mailto:musictuition@farmors.gloucs.sch.uk)** with the correct notice periods as outlined within the terms and conditions.
