Thursday 8th February 2024

Dear Parents,

Trip to Oxford University on Tuesday 16th April 2024

As part of our commitment to STEM careers, we would like to take a group of Year 9, 10 and 12 students to Oxford University on Tuesday 16th April. The coach will aim to depart Farmor's school at 08:45 and return at approximately 15:20. The day will consist of a Careers talk from current students and experts in the STEM field of study, some networking and some interactive games.

At this stage, we are gaging interest amongst students who are keen to pursue a career in the STEM industry before proceeding with the paperwork. If you wish your son or daughter to go on the trip, please complete this [EOI form](#) by Friday 23rd February 2024. The maximum cost will be £12.50 per student, this will be reduced if more students wish to take part in the experience. We can take a maximum of 50 students. If there is insufficient interest, the trip will not go ahead and those who have expressed an interest will be informed.

Thank you.

Mrs H Bristow
Head of Computing
