Bronze and Silver DofE Award - Important Information: Thank you to all parents who attended the DofE information evenings. If you didn't make it, please ask your child to check the email account they put on their application form; there will be a document that summarises everything discussed. To register your child all candidates need to pay a registration fee (Bronze £28 and Silver £30). In the meantime, they just need to think what activities they'd like to do and who their assessors will be.

Changes to Instagram accounts for teens - Today, we're introducing Instagram Teen Accounts, a new experience for teens, guided by parents. Teen Accounts have built-in protections which limit who can contact them and the content they see, and also provide new ways for teens to explore their interests. We'll automatically place teens into Teen Accounts, and teens under 16 will need a parent's permission to change any of these settings to be less strict. More details can be found: [here](#).
