15th September 2025 Week A

All years: School will finish 1 hour earlier at 2pm on Thursday 25th September to allow preparation for Open Evening. All Pulhams buses will leave the school site at 2.10pm. Students on the stagecoach #76 or #77 will unfortunately have to wait until the usual 3.10pm departure time, they may wait in school to help out if they wish to.

All years – Bus notice: Please ensure that your child is boarding the correct bus. Some of the Pulhams routes have more than one bus, with students allocated to a specific bus via their pass. There have been occasions where there have not been sufficient seats remaining, due to a small number of students choosing to board the incorrect bus.

All years – IT Network Management – This is an appeal to share an employment vacancy with anyone who think may be suitable for our IT Network Manager role. We have been unable find permanent replacement staffing for our IT network management team, following the retirement of previous employees. As you would expect, this function is critical to the successful running of our school. Here is the link to our job advert:
