Safeguarding:

School Nurse:

Our school nursing service would like to remind all children that their ChatHealth service is still operating.

The number to text for support is: [07507 333 351](tel:07507333351).

The school nurse, Natalie Strong, will see students on an appointment basis on Mondays, students (or parents) should contact the head of year to refer.

Well Being:

This fantastic website has been created by a practising NHS professional who understands the need to make this available to parents and their children. It gathers all the websites, apps and information about supporting mental health in one place. Hopefully, if you need this, it will help: [here](#)
