

## Parent Bulletin Week Commencing 16<sup>th</sup> October Week A

### Parent SEND surgeries

SEND surgery appointments can be made by copying and pasting this link: <https://calendly.com/etimms-senco30min/book>

### Notices:

- **All years:** Vacancies. Cover Supervisor, come and join our fantastic team. [Click here](#)
- **All years, water bottles:** The canteen have a new drinks machine to fill reusable water bottles. This has had an instant significant impact reducing the number of plastic bottles thrown away. Please support us with this by ensuring your child has a named reusable bottle with them for the school day.
- **All years, toilets:** The main student toilets are being locked for short periods at the end of break and lunch times, to encourage a punctual start to lessons to stop damage that has occurred at these times. This is a temporary measure to reset our expectations for students and has had an immediate effect on punctuality to lessons. The main message to students is to fill water bottles and visit the loo during break and lunch, this shouldn't be done in lesson times. Students with a medical issue still have access to a toilet in the pastoral centre at all times.
- **Year 7 evening:** Thank you to all who attended the presentation and meet the tutor evening last night, we hope that you found it useful. Copies of the slides on how you can help at home are available now on the website, see the letters link below.

### Safeguarding:

Do check out all the support out there, as listed on the Mental Health Z Card. This is a Gloucestershire publication, but a lot of the agencies/charities are national and will apply to families living in Swindon, Wiltshire and Oxfordshire too. [Click here.](#)
