

# Parent Bulletin

19th January 2026 Week B

**All years Attendance:** We have high expectations about attendance at Farmor's School. We also acknowledge it may sometimes be difficult to know when to send your child to school or not, particularly in the winter where illness is more prevalent. The NHS guidance, '[Is my child too ill for school?](#)', may be useful to parents/carers.

**All years:** Here is the link to this week's [Year 7-11 Careers Newsletter](#). There is an update on Year 10 work experience but also an opportunity for some Year 10s to have an experience with the Gloucestershire Wildlife Trust.

**Year 7 – Stroud Book Festival on Tour:** [here](#).

**Year 11 – School Photos:** Individual and group photos will take place on Friday 23<sup>rd</sup> of January, students need to be in full school uniform for this.

**Year 11:** Following the Y11 mock results we are recommending that parents buy a Maths revision workbook for their child to use. Please see the following letter for details: [here](#). The payment is available on Parent Pay now at £3.95.

**Year 11 parents evening:** Parents of students in Year 11 (designated priority 1 – at the student's home address) should have received an email from Edulink yesterday morning inviting you to sign in to the web page or download the app for the Y11 parents evening. This is in preparation for when appointments will go live to book from 8am on Monday morning.

Each student is allocated a single appointment for each subject, up to a maximum of 7 appointments; unfortunately we are not able to offer additional times for separated parents.

If you haven't received this email and have checked your junk folder, then please let us know via [studentservices@farmors.glos.sch.uk](mailto:studentservices@farmors.glos.sch.uk)
