22nd September 2025 Week B

All years - Library: We would like to recognise the incredible work of Amber Barker-Harrold, our librarian. Her endeavours ensure that our school library is a place of inclusion, wonder and excitement. The effect on students' enjoyment and perception of reading is immeasurable. This week we have had an author visit, which Year 7 loved, and next week we have a visit from the David Vaisey Trust, who have shortlisted our library for an award which could win £5000 for additional resources. Well done Amber!

All years - 3G Pitch at Farmor's School: We are now at the point of pulling the planning application together for the 3G pitch on the sports hall field. This full size pitch will be for school use, local rugby and football clubs and other community sports clubs. In addition, we are continuing to explore the development of the sports hall as phase 2 of the project. As part of the planning application, we need to demonstrate local demand for this facility. It would be very helpful if you could complete this short survey to let me know if you want this! Thank you! Mrs Emma White (Deputy Head). Survey: [3G Community Consultation](#).

Years 10 - 11: Coming to Costa Rica? Are you still fundraising?! Remember to check into your travel portal to remind you of any tips and trick to help with fundraising. A student fundraising celebration will be held in the next few weeks in Mr Jackson's room - more details coming soon.
