Notices:

- **Year 7-10:** The school council will be re-launched for students next week, now that covid restrictions allow year groups to mix. Please discuss this with your child and encourage them to put their name forward to their tutor if they are interested in having their say to improve anything about student life at Farmor's.
- **Year 8:** Students will be watching a production of 'Chelsea's Choice' during period 1 on Friday (26th November). This is a play about child exploitation, a highly sensitive issue that can trigger emotional responses. Staff will be available following the production to talk to students about the issues raised, should they wish to do so. If you are concerned about your child watching this then please discuss with Mr Hockey
