

Parent Bulletin

26th September 2024 Week B

All Years: Please see the parent letters section of the website for an important communication from our catering provider relating to **Allergens**.

All years: A reminder that for safety reasons, unless you have agreed with your child's head of year, students must not be dropped off by parents on the school site, please use the car park at the bottom of the back drive by the church.

All years – SEN department: Please note that we offer weekly calls or meetings with parents with Mrs Timms, SENCo. These are 30 minute appointments bookable via the following link: [here](#).

All years: Farmor's school would like to offer thanks to Vince Page and the team at Hillier Garden Centre for their kind donation of plants, bulbs and pots to help us create an attractive approach to our new Reception and the Learning Support Building. The compost and potatoes have been enthusiastically welcomed by our Vocational Studies group and we look forward to a lovely crop around Christmas. Our visit to the Garden Centre was made extra special as we were helped and advised by ex-Farmor's student James Blyth.

Bronze and Silver DofE: One piece of information was sent to parents with the wrong date, the date given from the information evening was correct. To confirm, the date of the Bronze and Silver training day and the Bronze practice expedition is 8-9th February. Also, a reminder that the Bronze information evening is on Wednesday the 2nd of October and the Silver information evening is on Thursday the 3rd of October, in the LRC in school.

Vacancies:

We are recruiting for a Sixth Form Administrator and Governance Professional. These can be tailored to suit your circumstances, and we would love to hear from you if you are interested in any of the positions. Please email: recruitment@farmors.gloucs.sch.uk if you have any questions. For more information and application visit - [here](#).

Safeguarding:

Online Safety Newsletter for September 2024 - [here](#).

Changes to Instagram accounts for teens - Today, we're introducing Instagram Teen Accounts, a new experience for teens, guided by parents. Teen Accounts have built-in protections which limit who can contact them and the content they see, and also provide new ways for teens to explore their interests. We'll automatically place teens into Teen Accounts, and teens under 16 will need a parent's permission to change any of these settings to be less strict. More details can be found: [here](#).
