

Parent Bulletin

29th September 2025 Week A

All years: Thank you to all our students who helped out at our Open Evening last night. They were an absolute credit to the school and worked hard all evening showing parents and pupils around and supporting in departments. Parent feedback was really positive – they loved how friendly and welcoming our students were and many commented on their enthusiasm and kindness towards the year 5 and 6 pupils as well as their maturity when talking to prospective parents.
