

## Parent Bulletin Week Commencing 31<sup>st</sup> October - Week B

### Notices:

- **All Years:** The whole school photo is now ready to purchase. This should be ordered online will be sent directly to your home address. To view and place an order [Click here](#) a copy is available in student services this week for students to look at.
- **All Years:** All pupils return to school on Monday 31<sup>st</sup> October.
- **All Years:** A reminder that all school policies, including the behaviour and attendance policy, can be found on the school website [here](#). These are discussed in assemblies and PSHE lessons through the year. The code of conduct for students travelling on home to school transport can be found [here](#). Any poor behaviour that distracts the driver may impact on student safety; Parents should note that poor behaviour on a bus will lead to a 'bus ban' for a set number of days, during that time parents would have to arrange alternative transport for their child. Please ensure your child is aware of that.

### Safeguarding:

All students have now been asked to think about 'what they can control' in our assemblies. As shared in last week's bulletin, they have been set some thinking homework, to consider which aspect of their lives might need some extra attention. All of these aspects have been proven to improve our physical and mental health: sleep; nature; exercise, being kind; planning ahead; healthy eating. It would be great if they can talk to you about how to build more into their routine, should they feel that something is lacking.

And if it all feels too much, then do check out all the support out there, as listed on the Mental Health Z Card. This is a Gloucestershire publication, but a lot of the agencies/charities are national and will apply to families living in Swindon, Wiltshire and Oxfordshire too. [Click here](#).
