Safeguarding Alert – WhatsApp: The following link is a timely reminder about privacy settings: [Hundreds of children added to 'inappropriate' Whatsapp chat – BBC News](#)

Parents and carers have been advised, to talk to children about the dangers of being added into unknown chats and to "block, delete and report groups of this nature immediately". The default setting in WhatsApp allows anyone to add a number to a group chat without needing permission. This can be disabled through the "who can add me to groups" tab in the privacy settings section.
