### Sports Awards

The PE department are very excited to announce the return this year of our Sports Awards Evening. Team Farmor's has bounced back from Covid and we are all looking forward to the chance to celebrate all our success.

Nominations for each award will be announced soon but we need your help with the award for Sporting Achievement Beyond School. If you would like to nominate anyone please could you put details into an email to [djohnson@farmors.gloucs.sch.uk](mailto:djohnson@farmors.gloucs.sch.uk) by 12<sup>th</sup> June.

### Notices:

- **All parents:** We would like to offer CPR training to students in school, in partnership with the group Heartwise <https://www.heartwise.org/schools/>. To make this sustainable, Heartwise are looking for volunteers with cardiology experience, or good CPR knowledge to help run those sessions here each year. If you have suitable experience and are happy to volunteer a few days per year for this, then contact Mr Eckersley for more details: [reckersley@farmors.gloucs.sch.uk](mailto:reckersley@farmors.gloucs.sch.uk)
- **All years:** A reminder that Monday 6<sup>th</sup> June is an Inset day. Students return to school on Tuesday 7<sup>th</sup> June.
- **Year 9 & 10:** Both have mathematics exams coming up towards the end of June. Please can you ensure that your son/daughter has the equipment they will need (that should be brought to all lessons), as there isn't the capacity to loan equipment during the exam. The equipment should include: Calculator (Casio fx83 or fx85 preferred), Ruler, Protractor, and a pair of compasses. Thank you for your support- Mr G Spurr.

### Safeguarding:

**School Nurse:** the ChatHealth service is still operating; the number to text for support is: [07507 333 351](tel:07507333351).

The school nurse, Karen Croxson, will see students on an appointment basis; students (or parents) should contact the head of year to refer.
