20th October 2023

Dear Parent/Guardian,

Additional features on Satchel One

As you are aware, at Farmor's School we use the online tool **Satchel One** to help you stay up to date with your child's school life.

You can login to Satchel One via a web browser or the mobile app for iOS or Android. Once logged into the app, you'll receive automatic notifications and see information about your child's **homework**. You can see your child's to-do list, get notifications about tasks and view your child's online submissions

After half term we are turning on additional features:

- **Timetable:** You will be able to see past and upcoming lessons to help your child prepare for the days ahead.
- **Rewards and behaviour:** You will be able to see any merits, behaviour points and badges your child receives, including information about any detentions.
- **Attendance:** You will be able to see their attendance and punctuality data each day.

Later in the year we are also aiming to include information on progress and attainment.

How can you login?

If you have not yet logged into Satchel One, we can send you a new login code. Please can you complete this [form](#) to let us know and we will contact you before the end of term with the details.

How can you access resources and support?

Satchel have created a welcome pack where you can download the app as well as accessing support and a range of helpful resources. Please visit <https://tinyurl.com/satchelonewp>.

Yours sincerely,

Mrs Claire Wells and Mr Roger Eckersley

Assistant Head (Teaching and Learning)
