

Parent Bulletin Week Commencing 6th July (Week B)

Notices:

- **All Years:** our child is likely to be spending more time online or on social media at the moment. Attached to the website is our new online safety newsletter with help and advice for parents on how to keep them safe in different forums, including the new Call of Duty - Warfare game and family friendly changes to TikTok.
- **Year 9:** The outstanding Diptheria, Polio and Tetanus and Meningococcal Groups ACWY vaccine (DTP/MenACWY), cancelled due to COVID-19, will be rescheduled as a school based programme in the forthcoming academic year. Should any parents wish to access these vaccinations earlier, then the Immunisation Team will be offering a variety of Community Clinics. If parents/guardians wish to take up this offer please contact the immunisation team on 0300 421 8140 and a member of the team will be glad to help over the summer holidays.
