

Dear Parents & Carers,

As your child is now in Year 10 and fully underway with their GCSE Science course(s), the Science department strongly recommends that they have an **AQA CGP revision guide, workbook and a revision flash card pack**. The school gets excellent discounts on these (approximately 50% shop price).

Books are used to aid homework, preparing for tests, mocks and the GCSE exams.

If your child has opted to study GCSE **Trilogy (Combined) Science**, then a pack is available for a suggested contribution of **£20**

If your child has opted to study the three GCSE **Separate Sciences**, then they are available for a suggested contribution of **£35**

The contribution needs to be made via **ParentPay**. Books will then be ordered and handed out.

The deadline for this order is Friday 3rd October 2025

You will see one of the following options, based upon what your child has selected to study for their GCSE options;

'Trilogy (Combined) Science CGP revision pack Year 10' £20

or

'Separate Sciences CGP revision pack Year 10' £35

If you have any queries concerning this matter, for example financial issues where we may be able to help, please feel free to contact me by phone or email.

Yours sincerely,

Mr. A. Rowan [Second in Science]
