

Dear Parent(s) / Carer(s)

As your child is now in Year 10 and fully underway with their GCSE Science course(s), the Science department strongly recommends that he / she has **AQA CGP revision guides, workbooks, revision flash card packs and knowledge organisers**.

The school gets excellent discounts on these (approximately 50% shop price).

Books are used to (a) aid completion of homework tasks (b) prepare for tests, mocks and the GCSE exams.

If your child has opted to study GCSE **Trilogy (Combined) Science**, then a pack is available for a suggested contribution of **£29**

If your child has opted to study the three GCSE **Separate Sciences**, then they are available for a suggested contribution of **£50**

The contribution needs to be made via **ParentPay**. Books will then be ordered and handed out.

The deadline for this order is Thursday 1st October 2026

If you would like these books, **please login to ParentPay**.

You will see one of the following options, based upon what your son / daughter has selected to study, having selected their GCSE options: -

'Trilogy (Combined) Science CGP revision pack Year 10' £29

or

'Separate Sciences CGP revision pack Year 10' £50

If you have any queries concerning this matter, for example financial issues where we may be able to help, please feel free to contact me by phone or email.

Yours sincerely Mr. A. Rowan [Second in Science]
