Dear Parents & Carers,

On Friday 11<sup>th</sup> July, we held our Annual Sports Awards Evening, at which we were pleased to offer thanks to all students who have contributed so much to "@teamfarmors" in 2024-25. We also expressed our thanks to school staff who enable our students to wear PE kit year in their lessons and excuse them frequently in order to leave early for fixtures and to parents who help with transport.

Several prizes were awarded in each year group to our 'Players of the Season' in all our major sports as well as an overall Sportsman and Sportswoman. We awarded a KS3 Commitment Award and our U14 Girls and Y8 Boys Football Teams were our 'Teams of the Year'!

We are very lucky to work with such committed and talented youngsters. This year we have had so many successes, we won't mention them all but we conquered all in District Netball & Rounders; Y8 Boys were District Football Champions; U13 and U15 Boys District Tennis Champions; Y10 Boys were County Softball Champions and we absolutely demolished the field again at the District Athletics Championships beating the school in 2<sup>nd</sup> by 123 point.

For a school our size, we clearly punch well above our weight. We cannot take all the credit for this as we know how hard students work with their clubs outside of school but it is clear that they take great pride in being part of school teams and we look forward to working with them all again next year.

At Sports Awards, I mentioned we would offer a 'retrospective' ticket as a way in which parents could make a contribution to the PE Department. The link/QR code below should enable you to do that should you wish to. We will continue to offer the best quality and extended Extra Curricular programme we can within our means and any contributions will go towards those extra kit items and travel expenses our limited budget cannot always extend to. Likewise, if anyone is interested in sponsoring any team kits please get in touch.

We hope you have a fantastic summer and thanks again

Mr Hockey  
Head of PE
