-  24th May 2024

Dear Parents & Guardians,

Further to my letters of April 2023 and earlier this year in February, I write to confirm when the website will go live and with a reminder of the changes to the PE kit.

The Farmor's School section of the [Stevenson's](#) website will go live on Monday June 3rd .

A guide for parents on how to use the website can be [found here](#).

A reminder of the key points to note on uniform:

- The main 'daywear' uniform is not changing.
- Students may still wear their PE kit to school on PE lesson, club or fixture days.
- Leggings should not be worn, there is an approved tracksuit if students require legwear for PE days during the winter months. School trousers may also be worn.
- There will be a phased change to the new style PE kit from September 2024 onwards for students currently in years 7-9. Both the current PE kit and new PE kit is allowed for these year groups. Current year 10 students need not purchase the new PE kit.
- The exception to that is for skorts, they will not be allowed from September 2024 onwards (apart from when playing in the netball or hockey team fixtures, skorts can be provided by the school for this).
- Year 6 students will be in the new PE kit from September 2024.
- All students must be in the new PE kit from September 2025.

Should your financial situation make it difficult to meet uniform costs, then please go to this section of [our website](#) to see what support is available.

Yours sincerely,

Mr Eckersley  
Assistant Headteacher
