Dear Parents/Guardians

Firstly, I would like to welcome your child to GCSE Business; I am sure they will find the course relevant and enjoyable.

Class revision resources on Parent Pay

I have put a 'knowledge organiser' and accompanying workbook on Parent Pay. It would be beneficial for students to have a copy of these resources as they cover all the relevant topics for the two-year course.

Additional resources

In addition to this revision guide, the following resources are very useful:

Exam board website

<https://qualifications.pearson.com/en/qualifications/edexcel-gcses/business-2017.html>

The syllabus and all the past papers and mark schemes can be found on this site.

Tutor2u

<https://www.tutor2u.net/business>

The blog has many articles linking business theory to current events and the reference library has a comprehensive range of study notes.

Youtube

There are a number of teachers who post videos explaining course concepts on Youtube and these can be a useful form of study and revision. Good examples are: Two Teachers and Bizconsesh.

If you have any questions or concerns over the next two years, please contact me on the email address below.

Best regards
